This exploded perspective view shows the complete assembly of the microscope. The components are labeled with numbers 1 through 10. A dashed box on the left contains a vertical sequence of parts 1, 2, 3, 4, 5, 6, 7, 8, 9, and 10, likely representing the assembly order. The main drawing shows the parts in their relative positions: 1 (eyepiece) at the top, followed by 2 (eyepiece ring), 3 (eyepiece tube), 4 (eyepiece cap), 5 (eyepiece cap ring), 6 (eyepiece cap base), 7 (eyepiece cap housing), 8 (eyepiece cap base), 9 (eyepiece cap housing), and 10 (eyepiece cap base). The eyepiece assembly is shown attached to the main body of the microscope, which includes the objective lens and the base.
